All: Mr Avelar da Silva, Director General

Maputo

N/Ref[^]. 1458/DG/ANNOQ, IP/2023

Maputo, 26 December 2023

Subject: Exceptions to the PAC

Dear Sir,

As part of the preparation of the Ministerial Diploma updating the list of products subject to the Conformity Assessment Programme (CAP) prior to their import into Mozambique, under Decree no. 8/2022 of 14 March and taking into account the need to continue socialisation activities with the private sector, INNOQ, IP hereby informs INTERTEK that during this period of technical work and until the publication of the aforementioned Ministerial Diploma, the following products should not be subject to the CAP

- 1- In special customs regimes;
- 2- Alcoholic drinks and tobacco;
- 3- Raw materials, machinery and spare parts for industrial and agricultural use;
- 4- Machinery, equipment and industrial spare parts imported by manufacturers for their own use;
- 5- Equipment and parts from medical equipment manufacturers;
- 6- Goods imported for on-board services in aircraft, boats or ships and in mining activities;
- 7 Printed material and recorded digital media;

REPUBLIC OF MOZAMBIQUE
NATIONAL INSTITUTE FOR NORMALIZATION AND QUALITY

- 8- Personal belongings of returning residents and expatriates:
- 9- Products regulated by specific legislation.

In the expectation of your best co-operation, we send you our best regards

O Director Geral

Geraldo Albasini
(Técnico Superior N1)
