Standard Name: Swimming-pool luminaires, submersible luminaires, and accessories

Standard Edition and Issue Date: 3rd Edition Dated December 1, 2015

Date of Issue: December 1, 2015

Date of Previous Revision of Standard: 2nd Edition Reaffirmed 2013

Effective Date of New/Revised Requirements

Effective Date: July 1, 2018

Impact, Overview and Action Required

Impact Statement: A review of all Listing Reports is necessary to determine which products comply with new/revised requirements and which products will require re-evaluation. **NOTE:** Effective immediately, this revised standard will be exclusively used for evaluation of new products unless the Applicant requests in writing that current requirements be used along with their understanding that their listings will be withdrawn on Effective Date noted above, unless the product is found to comply with new/revised requirements.

Overview of Changes: Significant changes to Scope, General Requirements, Enclosure Requirements, and a New Test that applies to all products.

Client Action Required:

Information – To assist our Engineer with review of your Listing Reports, please submit technical information in response to the new/revised paragraphs noted in the attached or explain why these new/revised requirements do not apply to your product (s).

Current Listings Not Active? – Please immediately identify any current Listing Reports or products that are no longer active and should be removed from our records. We will do this at no charge as long as Intertek is notified in writing prior to the review of your reports.
