

GOOD LABORATORY PRACTICE

Statement of Compliance in Accordance with Directive 2004/9/EC of the European Parliament and of the Council of 11 February 2004.

FACILITY: Bioclin Research Laboratories Ltd. Athlone

AREA OF EXPERTISE: Analytical and Clinical Chemistry

DATE OF INSPECTION: 13th – 14th November 2007

Facilities in the programme are normally inspected every two years and a new compliance statement is issued.

A general inspection for compliance with the Principles of Good Laboratory Practice was carried out at the above test facility in accordance with the provisions of Statutory Instrument No. 294 of 1999, European Communities (Good Laboratory Practice) Regulations 1999.

At the time of the inspection no deviations were found of sufficient magnitude to affect the validity of studies performed at these facilities and accordingly the Chief Executive of the Irish National Accreditation Board has authorised the issue of this statement.

Signed: Tom Dempsey
Tom Dempsey, Chief Executive

Date: 8 February 2008

This GLP Compliance statement is only valid for studies in the area of expertise defined above which are required by legislation to be carried out in accordance with OECD / EU GLP Principles
