Intertek

*To show our appreciation of your commitment to providing products and life safety/property protection, Intertek (ETL) is pleased to offer you a **10% discount** off of your first year's membership dues with the Central Station Alarm Association (CSAA).*

Name of Company

CSAA, which was established in 1950, is the premier international association representing central stations throughout the world that have been approved and listed by nationally recognized testing laboratories. Its members represent the most respected central station monitoring-related companies in the industry, including many of the top SDM 100 companies.

CSAA is the only organization in the world that has formed solid working relationships with presidents of the international Authorities Having Jurisdiction (AHJs), including the International Association of Fire Chiefs (IAFC), the National Sheriffs Association (NSA), the International Association of Chiefs of Police (IACP), the Association of Public-Safety Communications Officials International (APCO), and many others.

**This special offer is available for new CSAA memberships only.*
