

# Think Green Initiative (TGI)

## Your Challenges

Consumers, governments and communities alike are concerned with how the manufacturing of consumer products impacts the environment. While retailers and brands work to demonstrate good environmental governance across their supply chains, suppliers, like yourself, are concurrently being asked to continuously improve their environmental performance.

## Our Solutions

### Intertek's Approach - Think Green Initiative (TGI)

TGI empowers leading suppliers with the capacity to showcase environmental good practice while simultaneously:

- Reducing costs
- Improving material efficiency
- Practicing green manufacturing good practice, and
- Ensuring the organization meets the requirements of tomorrow's Employees, Communities, Investors and Customers.

With Intertek's web-based platform and deep environmental expertise, TGI has emerged as the perfect tool for evaluating, reviewing and monitoring factories' environmental performance and ultimately assuring improved performance.

### The Think Green Initiative Toolkit Includes:

Two (2) Core Compliance Modules

- Environmental Legal Compliance Review
- Environmental Management System (EMS) Review

Six (6) Environmental Modules

- Water
- Air Emissions
- Energy
- Noise Emissions
- Hazardous Materials, Equipment and Waste
- Sustainable Production

### TGI Benefits Your Business:

- Providing Greater Visibility on Environmental Commitment and Performance by:
  - Meeting environmental regulatory requirements
  - Reducing both environmental footprint and costs
  - Improving material efficiency through better resource management, including recycling, reuse of materials, and waste reduction
  - Acquiring sustainable business practices
  - Leveraging insights for green production and sustainable purchasing
  - Achieving good corporate governance and preferred supplier status
  - Demonstrating commitment and robust "Green" credentials to stakeholders (Investors, Employees, Community and Customers)

### Think Green Initiative - Achievement Award

Upon satisfactory completion of the TGI assessment and performance criteria, the manufacturer will receive an "Achievement Award".
