

EXH A - REGULATED PRODUCT LIST

NIGERIA SONCAP

All products are regulated under SONCAP with the exception of those products that are listed in the CBN circular as non-regulated products, these are:

- Food Products
- Drugs (Medicines)
- Medical Products (other than equipment and machines)
- Chemicals used as raw material by bonifide manufacturers
- Military Ware and Equipment
- Goods classified as contraband by the Federal Government of Nigeria
- Used products other than automobiles

The Exporters/Importers can clarify their product's regulatory status in the link provided below:

www.exports2nigeria.com/do-i-need-a-certificate

If you have any doubt as to whether your product is covered by the SONCAP then please contact your local Intertek Office.
