This Certificate is for the exclusive use of Intertek's Client and is provided pursuant to the Certification Agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the Agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the Agreement, for any loss, expense or damage occasioned by the use of this Certificate. This Certificate's validity is subject to Intertek's Client maintaining its systems in accordance with Intertek's requirements for Certification. The Certificate remains the property of Intertek, to whom it must be returned upon request. Any further use of the Intertek name for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek.
