

STANDARD INFORMATION

Standard Number: UL 8800

Standard Name: Horticultural Lighting Equipment and Systems

Standard Edition and Issue Date: 1st Edition dated August 30, 2019

Date of Revision: August 30, 2019

Date of Previous Revision of Standard: Outline of Investigation for UL 8800 2nd edition dated April 17, 2019

EFFECTIVE DATE OF NEW/REVISED REQUIREMENTS

Effective Date: **June 1, 2021**

IMPACT, OVERVIEW, AND ACTION REQUIRED

Impact Statement: A review of all Listing Reports is necessary to determine which products comply with new/revised requirements and which products will require re-evaluation. **NOTE:** Effective immediately, this revised standard will be exclusively used for evaluation of new products unless the Applicant requests in writing that current requirements be used along with their understanding that their listings will be withdrawn on Effective Date noted above, unless the product is found to comply with new/revised requirements.

Overview of Changes: The 1st edition of UL 8800 was released on August 30, 2019. **No technical changes were made between the Outline of Investigation and the 1st edition of the full standard.** However, Intertek is requiring an administrative update to all listings to be certified to the full standard instead of the Outline of Investigation. No action is necessary to meet the requirements of the 1st edition of UL 8800 if your product is certified to the 2nd edition of the Outline of Investigation.

Current Listings Not Active? – Please immediately identify any current Listing Reports or products that are no longer active and should be removed from our records. We will do this at no charge as long as Intertek is notified in writing prior to the review of your reports.
