

PUBLIC TRAINING CALENDAR (YEAR 2022)

INTERTEK ACADEMY MALAYSIA
ASSURANCE TRAINING PROGRAM

TRAINING PROGRAM OVERVIEW

- Equip your team with the vital training they need to remain at the top of the possession. You need team members whose skillsets are as current as possible and primed to fulfil their role to the best of their abilities.
- Our qualified instructors provide essential knowledge through logical, in-depth, beneficial training sessions on-site, in the field and at convenient Intertek locations around the world.
- Our expertise covers international and regional regulatory developments, customer and legal compliance requirements, good manufacturing practices, quality management systems certification, evolving technology and markets, sourcing and development necessities, testing strategy and more. Through our professional training services, we aid our clients and their supply chain management in meeting requirements, improving business processes and products and fulfilling demands.
- Our training options vary from courses on set dates, times and locations to tailored options taught on your own premises or from one of our fit-for-purpose centres around the globe.

TRAINING PROGRAM OVERVIEW

- **IRCA-Registered Training Courses**

The course is registered by the International Register of Certified Auditors (IRCA), and meets part of the training requirements for individuals seeking registration as an auditor or lead auditor under the international scheme.

- **Public Training Course**

Our public training courses are classroom-based training. Delegates just need to choose a date and venue near to them, and all attendees are from different companies.

- **In-House Training Course**

Intertek can train your employees at your premises at any time. The courses can be tailored to suit the needs of your organization.

TRAINING PROGRAM OVERVIEW

All of our courses include:

- Expert sharing from experienced auditors and trainers, and ample opportunity to work and learn directly with them.
- A certificate to document your attendance.

Virtual Training

- Public or In-House training courses can be conducted via online meeting platform (eg: Microsoft Teams, Zoom & Google Meet) subject to the needs of the attendees.
