USA Congress Proposes Choking Hazard Awareness Act

The USA Congress suggests amending the Federal Hazardous Substances Act to require any toy, game, balloon, small ball, or marble that advertised on Internet and catalogue including appropriate cautionary statement. Such cautionary statement shall be displayed in the language that is primarily used in the advertisement, catalogue, or Internet website, and in conspicuous and legible type in contrast by typography, layout, or color with other material printed or displayed in such advertisement, and in a manner consistent with Part 1500 of title 16, Code of Federal Regulations.

Below is an illustration of a cautionary statement for a toy or game, intended for use by children who are 3 to 6 years of age, includes a small part:
