

STANDARD INFORMATION

If your product is certified to ASME PALD then it needs to be recertified to ASME PASE.

Withdrawn Standard:

Safety Standard for Portable Automotive Lifting Devices [ASME PALD]

Replacement Standard:

Safety Standard for Portable Automotive Service Equipment [ASME PASE]

EFFECTIVE DATE OF NEW/REVISED REQUIREMENTS

Effective Date: **August 18, 2025**

IMPACT, OVERVIEW, AND ACTION REQUIRED

Impact Statement: ASME PALD is being withdrawn and replaced by PASME PASE. All reports currently certified to ASME PALD need to be evaluated and certified to ASME PASE prior to the effective date. Due to the changes between standards, a full evaluation to ASME Pace is required.

Current Listings Not Active? – Please immediately identify any current Listing Reports or products that are no longer active and should be removed from our records. We will do this at no charge as long as Intertek is notified in writing prior to the review of your reports.
